ATTENDANCE PROCEDURES

Regular and consistent attendance is essential to a student's success in school and is a law according to New Jersey State Compulsory Attendance Laws (§18A:38-25). Chronic absenteeism creates a genuine hardship for both the student who is not in school and the other students in the class who rely on each other for group work. The following list states the only recognized excuses for school absence:

- Personal illness
- Family illness
- Death in the family
- Religious holidays
- Take Your Child To Work Day
- Such good cause as approved by the principal

* Perfect Attendance requires a student be present 180 days.

Parents are required to give advance notice to the school in order to be excused for any other type of absence. Chronic tardiness or absence will be handled properly to ensure that students do not fall behind in their work, resulting in poor grades and possible retention. Additionally, we encourage families to align vacations with the district calendar to reduce absenteeism.

When your child is absent, please call (609) 723-2139 by 9:00 A.M.

Upon your child's return to school, regardless of the duration or reason for absence, he/she is required to present a signed letter to his/her homeroom teacher. This is in addition to the phone call made prior to absence. Students who are absent more than four consecutive days must present a certificate of admission from a family doctor or the school physician (excluding vacations).

Students who are tardy must also bring a note signed by a parent/guardian or physician, stating the date and reason for tardiness. If the school is unable to verify the reason for absence/tardy due to lack of a phone call and/or note being sent with a student, that student will be marked absent-unexcused, and the following protocol will go into effect:

-Up to four unexcused absences will result in verbal and/or written contact with parent/guardian. An action plan to help improve attendance will be designed and implemented.

-Between five and nine unexcused absences will result in continued verbal and/or written contact with parent/guardian and reevaluation of action plan.

-Ten or more unexcused absences will result in mandatory court referral as required by the NJ Administrative Office of the Courts. Parents will receive notice of such referral.

Note: School administration reserves the decision to retain a student due to chronic absenteeism.

STUDENT BEHAVIOR/CONDUCT

Code of Student Conduct (CSC)

Pursuant to New Hanover Township Board of Education policy number 5131:

The board believes that an effective instructional program requires an orderly school environment and the effectiveness of the educational program is, in part, reflected in the behavior of pupils. The board expects pupils to conduct themselves in keeping with their level of maturity, with a proper regard for the rights and welfare of other pupils, for personnel, for the educational purpose underlying all school activities, and for the care of school facilities and equipment.

As such, the board has determined core, local ethical values that it wishes to impart on all New Hanover Township School students. These core values include self-control, respect, responsibility, empathy, safety, and honesty.

Student Rights

All students have a constitutional right to a free and appropriate education, and therefore cannot be suspended or expelled without being afforded due process. In the case of a suspension of ten (10) days or less, a student is entitled to receive notice of the charges against him, an explanation of the evidence authorities have, and an opportunity to present his version. This presentation can be accomplished during an informal hearing at which students do not have the right to have a parent/legal counsel present nor may they cross examine or call witnesses.

For long-term suspensions or expulsion, a student is entitled to a formal hearing within 30 days of the first date of suspension. Prior to this hearing, the Board of Education must present the student's parents with a written notification of charges and description of the evidence used to reach their conclusion. Students may be represented by counsel, have a translator, and provide a defense presentation.

Consequences

The district will hold students accountable for their actions in a manner that is firm, fair, and respectful. Further, when applying consequences for improper behavior, district staff will consider age-specific parameters, developmental needs, and behavioral history. Staff will adhere to the following guidelines when disciplining students:

Elementary Consequences: When misbehaving in school or breaking classroom rules, students will face time-out, loss of privilege, warning, admonishment, apology, or replacement of broken items. When offenses are repeated or when a student is not learning from previous consequences, additional remediation may be necessary. These may include parent-teacher conference, referral to counselor/SAP Committee, detention, or development of behavior plan. Students may also face out-of-school suspensions for offenses including, but not limited to: misuse of technology, trespassing, leaving school grounds without permission, unacceptable language or gestures, threats, fighting, vandalism, HIB, drug/alcohol/weapons offense, disrespectful attitudes, and recurring misbehaviors.

Middle School Consequences: In order to fairly record, address, and adjudicate all disciplinary infractions, school personnel will abide by the following demerit system:

| | |
| 6 | After School Detention |

A pupil must attend 155 or more days of school in order to have successfully completed the instructional program requirements of the grade/course to which she is assigned. A full detail of all attendance policies and procedure are located in Board of Education policy 5113.
