Dear Parents/Guardians:

Under the **Impact Aid Program** (Title VIII of the Elementary and Secondary Education Act), each locality is compensated for federally connected children who impact a school district's financial base because of military bases, federal installations or federal activity within and surrounding their locality.

I am requesting your assistance in identifying federally connected students for our Impact Aid Program. On the reverse side of this letter is the *Impact Aid Survey Form*. **By completing this form, you will enable New Hanover Township School District to possibly receive revenue assistance for each student whose parent(s) are on active duty military service (not retired) or employed on federal property.**

- **Sections 1 and 4** must be completed for each child in your household that attends New Hanover Township School District.
- **If you are a member of the military service, please complete Section 2.**
- **If you are employed by a department of the federal government or a private contractor and work on federal property in the state of New Jersey, please complete Section 3.**
- **Please make sure that you sign and date Section 4.**

The information should be current as of October 15, 2016. **Please return the completed form to your the Business Office (Mrs. Parry, Ms. Fitzgerald or Ms. Gibney) by December 15, 2016. ALL INFORMATION FURNISHED ON THIS FORM IS STRICTLY CONFIDENTIAL.**

Thank you for taking the time to complete the survey form. If you have questions concerning this matter, contact Maria Parry, School Business Administrator at 609-723-2139 x110 (Thursdays in district, if not please leave a message) or email her at mparry@newhanover.k12.nj.us.
