October 7, 2014

Dear New Hanover Township School Families:

In recent weeks, a virus called Enterovirus-D68, or EV-D68, has garnered great attention both nationally and locally. I have attached a "Public Health Fact Sheet" published by the Burlington County Health Department detailing EV-D68. To date, no students at New Hanover Township School have contracted EV-D68. Despite this fact, we remain vigilant in protecting the health and safety of our students and their families. Specifically, we have and will continue to:

- a. Inform staff of symptoms to watch for,
- b. Send students home who exhibit respiratory problems,
- c. Follow standard procedures regarding school cleaning, and
- d. Remain abreast of updates from the Burlington County Health Department and the Center for Disease Control (CDC).

If you have any questions or concerns, please feel free to contact me at (609) 723-2139.

Sincerely,

Scott Larkin, Principal
New Hanover Township School

Encl
